WE GOT YOU COVERED!

With our Whole Home Maintenance protection plan all of your inside wiring for LNE Communications services are protected along with digital set-top boxes and Ethernet switches originally installed by LNE Communications.

SAVE YOURSELF COSTLY REPAIRS AND REPLACEMENT COSTS!

With Whole Home Maintenance protection plan from LNE Communications there is no charge for trips by our technician to your home for troubleshooting & repairs covered under this plan.

Coverage is also included to digital video set-top boxes and Ethernet switches leased from LNE Communications. Replacement costs for a set-top box range from \$150 to \$265 per set-top box.

RELIABILITY AND PEACE OF MIND!

We rely on our communication devices to work for us all the time. Our Whole Home Maintenance protection plan will cover any inside wiring LNE Communications service is riding over. So if you have our High Speed Internet, Voice and Digital TV, any inside wire used to deliver those services will be covered.

Set-top boxes and Ethernet switches installed and leased from LNE Communications are covered too.

Now that's peace of mind!

UNDERSTANDING THE PLAN

- *The Whole Home Maintenance protection plan is available to LNE Communications residential customers and covers the inside wiring actively used to provide LNE Communications services.*
- *Subscription to Whole Home Maintenance protection plan also covers leased set-top boxes and Ethernet switches originally installed by LNE Communications.*
- *Whole Home Maintenance becomes effective the date the customer subscribes to the plan and subscription must be in effect for repair work to be covered by the plan.*
- *Coverage does not extend to any customer owned devices, such as telephones, televisions, DVR's, computers, network interface cards, wireless access points, switches, routers, or gaming consoles.*
- *Damage from negligence or intentional acts, including accidental water damage is not covered. Labor for troubleshooting or diagnosing issues caused by non-covered or customer owned equipment will be billed at the current rate.*
